

The Department of Astronomy and the Science Center  
invite you and your spouse or guest  
to a wine-tasting star-gazing to introduce the Michaels Telescope  
Friday, March 5, 1976 5:00 p.m.  
The Dome, Ninth Floor, Science Center

There will be a description of the telescope and its capabilities, a summary of how to get scheduled for course-related observing or special projects to be followed, if weather permits, by celestial viewing. Paul Bamberg has graciously agreed to run a wine-tasting to make this an even more festive occasion. Please plan to join us!

If you will be able to come, please complete the attached form and return it to the Director's Office of the Science Center, room 123 by Wednesday, March 3.

-----  
I shall be able to attend the party given by the Department of Astronomy and the Science Center on March 5th. \_\_\_\_\_  
I plan to bring my spouse or a guest. \_\_\_\_\_
